

ROCKSTAR MATHS DAY!

Dear parents/carers,

To promote the Times Tables RockStars learning platform, Numbots and enjoyment for maths, we will be holding a 'Rock Stars Maths Day' on Thursday 26th September.

Children are encouraged to dress up as a rock star on the day. As well as wearing rock star clothes, your child might decide to bring an inflatable instrument or microphone, wear cool looking sunglasses or have their hair styled to look like their favourite rockstar.

Please be as creative as you can together!

During the day, we will be giving children the opportunity to take part in times table and number challenges, maths problem solving and reasoning activities and exploring number in fun and exciting ways. We may also have some visitors joining us to talk about how maths is used substantially in their jobs to inspire children to continue to be life-long mathematicians.

We look forward to seeing all of our Chowbent children dressed up on the day!

Mrs Taylor
