

Dear parents / guardians,

We are very excited to announce that on Friday 1st December we have booked Panto in a Day to perform Jack and the Beanstalk in our school Hall. All children will attend this event.

We are asking for a payment of £5 for each child which will be on School Hub now and can be paid at any point on the lead up to 1st December. We are giving lots of notice for our trips in the hope that this will make it easier for parents / carers to plan for.

As always we are so grateful for the support we receive from all parents and carers, these experiences would not be possible without your contributions.

Please send your child to school with a bottle of water as you usually would as these will be taken into the hall with them.

Mrs Kendal.
