

Harvest 2023

We are welcoming donations to the Atherton and Leigh food bank in celebration of the Harvest Festival. A time when we remember those less fortunate. This year is particularly financially difficult for a lot of families, and this will show our support to our local community. Equally, if you feel unable to give this year, please do not feel pressured.

Information on how to access the Foodbank's services are here:

<https://athertonleigh.foodbank.org.uk/get-help/>

Children can bring their donations into class up until Wednesday 18th October when we will be celebrating Harvest in school.

Items that the foodbank are requesting:

Thank you for your continued support.
