

Fête Française: Language Learning Celebration Day

16th January 2023

We are excited to be holding a language learning celebration day on the 16th January 2023. All children will be invited to come to school dressed in red, white and blue. The school menu will be French themed and Madame Prince, our wonderful French teacher will be providing a carousel of activities in the morning - games, quizzes and traditional French food tasting.

In the afternoon each KS2 class will be doing performances in front of the rest of the school. The children have been working really hard on these.

We are asking for a £1 donation on the day to help cover some of these expenses. Thank you for your support.

Miss Lee
