

Harvest 2022

We will be setting up a collection box in each classroom for anyone who would like to donate to the Atherton and Leigh food bank in celebration of the Harvest Festival. A time when we remember those less fortunate. This year is particularly financially difficult for a lot of families, and this will show our support to our local community.

Information on how to access the Foodbank's services are here:
<https://athertonleigh.foodbank.org.uk/get-help/>

Children can bring their donations into class. All donations need to be in school by Wednesday 19th October 2022.

Items that the foodbank are requesting:

Thank you for your continued support.
