

Friday 27th May 2022.

On Friday 27th May all children are welcome to come to school dressed in Red, Blue and White. We are not asking for a donation, but children have the option to pay 50p to have the British flag painted onto their cheek.

Children will have an extra snack on this morning as they will have a later dinner at 1pm.

Children will be having an afternoon tea style dinner on the playground (weather permitting). Parents can either choose this option on Lunchshop or provide a packed lunch. We will be having a street party and celebrating the Queens Jubilee together.

As explained on the British History Workshop letter, part of the payment for the workshop will go towards ingredients to make a traditional British dish. The children will also be tucking into these at the jubilee celebration.

Thank you for your support.

Mrs Ball and Mrs Dolan.
