

British History Workshop

We have booked an exciting History workshop in May. The workshop will focus on what life was like locally at the time of Queen's coronation. The workshop is called "What Grandma did" and the children will learn about the past through the eyes of their elder family members. The children will get access to many period artefacts, period costume which the children try on, role play and recounting real stories and experiences of local people in the past. We hope that this will leave the children enthused about history and show them how the past has affected and impacted how we live today.

The cost for parents / carers is £5 per child and this is payable through Lunchshop under 'Items'. This price will also include resources for a food technology session where children will make their own British dish.

We would like payment before Friday 8th May. As always if we do not receive enough support from parents we will be forced to cancel the event. Thank you in advance for your support.

Workshops will run on the following days:

Monday 23rd May – Reception, Year 1, Year 2 and some of the Year 3 class.

Tuesday 24th May – Year 5, some of the Year 3 class and Year 4

Wednesday 25th May - Year 6
