

We are looking forward to welcoming the children back into school tomorrow.

A few updates to keep in mind.

If your child has any COVID 19 symptoms no matter how mild please do not send them into school. A PCR test should be booked and a phone call to the main office before 9.30am should be made to report your child absent. 01942 883410.

Changes have been made to the length of time required to self isolate for those who have tested positive for COVID 19.

People who receive negative LFT results on day 6 and day 7 of their self-isolation period – with tests taken 24 hours apart – will no longer have to self-isolate for the full 10 days unless they have a temperature. The first test must be taken no earlier than day 6 of the self-isolation period. We are asking that these LFT are reported to the government website (link below). We will then require a screen shot of this before your child can return to school.

As always, if your child has any symptoms of COVID19, please book a PCR test and keep them isolated. A LFT is not sufficient. Proof of a PCR test will need to be sent to Mrs Kendal via Dojo or Email as proof of absence. A PCR test must be booked as soon as possible. The school need to be made aware of any positive results immediately.

Please follow the guidance below if your child has been in close contact with a possible / confirmed COVID 19 infection.
