Dear Parents/Guardians,

Our school's catering provider 'Orion' has informed us that they may need to make last minute change to the menus. Please see statement below from 'Orion'.

**We have robust supply chain agreements in place and are continually working with our suppliers to try and ensure our product lines remain available, but again, this remains something completely out of our control. With these challenges in supply routes remaining, we may be forced to make last minute changes to advertised menu options in your school. Our kitchen teams will keep you informed if this situation happens in your school.**

We have not made any changes recently but thought it only right to let our parents/guardians know that this could happen.
