

PTFA
Parent, Teacher and Friends
Association.

We are asking for your help with our first PTFA fundraiser this term. We have sent home a sheet and we are asking you to spend some time with your child drawing a Christmas picture to have reproduced into a variety of products. Please read carefully the instructions on the sheet for guidance on what materials you can use. The sheet will also be available on the website if you wish to download extra. This activity could also be completed by a younger or older child. If you wish to order please send in the finished pictures by Monday 4th October and pay via lunchshop. We hope that this will be a fun activity for your child to do at home, and help to raise funds for school at the same time.
