Dear Parent / carer

As the Christmas holidays will be quickly approaching we want to make the Christmas period as special for our children as possible. However, we also need to make sure we are being safe and following guidance to prevent the circulation of Covid. We have put together the following plan to ensure that children can pass over gifts and cards in a safe way.

Children can bring in gifts and cards for their teachers and class mates between the dates of 11th December and 14th December (if they choose to). Each class will have their own box, outside of their classroom, to store these until our Christmas dinner day on Wednesday December 16th. Please make sure that all gifts and cards are labelled properly.

Please do not hand gifts directly to staff and gifts for staff / children cannot be accepted via the school office this year. Gifts from staff to children will be distributed in the same way.

Parents can order a Christmas dinner via Lunch Shop. Click onto 16th December and the option will be there.

Thank you for your continued support.
Mrs Kendal
