

Harvest 2020

We will be setting up a collection box in the school foyer for anyone who would like to donate to the Atherton and Leigh food bank. We will be collecting items in celebration of the Harvest festival. A time when we remember those less fortunate. This year has been particularly financially difficult for a lot of families and this will show our support to our local community.

The box has been set up for all donations. **Please do not send these items into class with your child.** We will update you with the cut-off date.

Thank you for your continued support.

Items that the foodbank are requesting:

URGENTLY NEEDED ITEMS
