Preparations for Possible School Closure Due to Covid-19

Dear Parents,

I am sure that you are aware of the possibility that at some point schools may be asked to close in order to slow down the spread of the Coronavirus. Currently, there is no advice that school closures are necessary. At Chowbent we will always be guided by official advice on this matter. However, it is a good idea to plan ahead in case this is something which happens.

In order to disrupt the children's learning as little as possible, in the event of school closure, teaching staff will direct their classes to a range of online resources and activities. They will communicate to you via the Class Dojo App and may also require students to complete tasks using the following range of online resources –

- Purple Mash
- SATs Companion (Year 6 only)
- Junior Librarian (to complete book reviews)
- TT Rock stars.

Your child will already have been given login details for these resources when they were introduced. However, I would advise parents to prepare by ensuring that they have their child's login details safe. If you do not, please contact school.

If there are any changes to advise to school I will let parents know as soon as possible. In the meantime please continue to remind your child of the importance of hand washing.

Regards

Mr J Randle
(Head teacher)
