Dear Parents / Carers

We are experiencing an increase in head lice cases. Please take the time over the half term to check and treat your child for head lice. We have attached an information sheet which may help. If you are struggling to effectively treat and clear your child of head lice then a meeting with the school nurse can be arranged. Please let us know and we will arrange this for you.

Please be aware that consistent cases of untreated head lice will raise concerns of children's welfare.

Thank you for your continued support
